Instructions

This is a simplified scorecard for children. It can be used to
to chart a player's path around the bases. It does not contai
batting or pitching statistics.

As players make their way around the base path, fill in the c
where they stop. If a runner hits a single, fill in the circle for
runner advances to third because the next batter hit a doubl
circle for the runner, and fill in the second base circle for the
a runner makes it all the way home, fill in the diamond.
