

On behalf of our young girls and parents, we deeply appreciate your donation to our non-profit Massie Youth Girls Fastpitch (MYGF) organization.

Your support helps to make it possible for us to be able to provide our youth softball teams safe, maintained practice fields, aide in establishing a new playing field for home games, as well as providing needed supplies and equipment.

The MYGF Mission

As a team of dedicated parents and coaches, we are focused on teaching the fundamentals of youth fast pitch softball and good sportsmanship in a safe, structured, positive environment for girls of various ages and skill levels.

With your generous donation you are allowing us the resources needed to execute our mission.

Once again, we sincerely thank you for your support and helping to make our efforts possible for our youth girls.

Sincerely,

Massie Youth Girls Fastpitch
