

Johnstown Select Sports (JSS)

“SELECT/TRAVEL” BOYS BASKETBALL 2018-19

JSS is a "select" youth basketball program. The program is intended to provide a great opportunity for aspiring young Johnnie basketball players to have a more in-depth experience in the game of basketball, while helping to develop the skills needed to be successful at the middle school, and ultimately at the high school levels.

Our mission is to become one of the very best youth basketball programs in the state! We will get there sooner rather than later with a relentless commitment to providing a top quality, in-depth, and fundamental approach to the game of basketball. We strive to develop our players into skilled, fundamentally sound, and team-oriented players that play the game "The Johnnie Way". We will keep this core belief at the center of our program. Without question, the JSS program will be an integral part in the success of the Johnstown-Monroe High School Basketball program as we grow into one of the most elite programs in all of Ohio.

We will be forming teams at the **4th, 5th, and 6th grade levels**. Regardless of whether your son has played travel / select basketball in the past or not has no bearing on this year's evaluation process. All kids are encouraged to attend our evaluation and our coaching staff will do their very best to place all kids in a program that will allow them to have a positive, fun, competitive, and in-depth learning experience in the game of basketball.

Note: The JSS program is designed to align with the Johnstown-Monroe High School Basketball Program. Therefore, the program is available to students currently within the Johnstown-Monroe system only.
