304-483-8922

Hello,

I am writing on behalf of the 2018-2019 Parkersburg South High School Boys Basketball team. We are currently preparing for another exciting season this year as we ended last season with a sectional and regional championship along with our 6th straight State Tournament appearance. As I'm sure you are aware, a considerable amount of funding is needed to continue to run a first class program. Payment for two assistant coaches, buses, overnight travel expenses, equipment, and meal money are a few examples. Your contribution to our young student athletes will be beneficial to our team and your business. Our program has accomplished many successes over the past few seasons and we are extending your business the opportunity to be part of our continued success. Additionally, you will assist our athletes in achieving their goals and creating lasting memories of their high school career.

We are currently selling business sponsorship advertisements for our state of the art, scrolling advertisement sign located in the Rod Oldham gymnasium. Advertisements cost \$300.00 and will be displayed during all basketball games and other events throughout the season. Also, your business name will be placed on our webpage under sponsors at www.pshsbasketball.com.

Thanks for your support of Patriot Basketball. Have a great day!

Mike Fallon, Head Coach
Parkersburg South High School
