

### Special Thanks to Ohio Dawgz and PWC

The Burnett's would like to take this time to thank Artie and Amy Wolfe, the owners of the Dawgz House Training Academy. Without their dedication to the development of young athletes, this facility would not exist. We would also like to thank Perrysburg Wrestling Club for hosting BTWC in their space and community to strengthen wrestling in the Toledo area.

Both the Ohio Dawgz and PWC are a 501c3, not for profit organization that services solely on donations, fundraising and club fees. We except monetary donations as well as physical donations to enhance the environment of the facility. Example: furniture, towels, paper products, cleaning supplies, printer paper, carpenter or electrician time/labor for projects, DVD's/TV's, washers/dryers, etc.
