Poor Average Good

All levels you have participated in as a player (Please Circle):

Little League Middle School High School College Professional

All levels you have participated in as a coach (Please Circle):

Little League Middle School High School College Professional

If appointed to coach I will:

- Abide by the Official Regulations and Playing rules of Little League Baseball (LL Rule book), as well as adhere to the South London Little League rules and regulations.
- Effectively communicate with, respect and work with all league officials (board members, umpires, coaches, etc.) and parents/guardians.
- Attend league meetings if necessary. Attendance is important to keep informed and your ideas are valued and needed to help the league prosper.
- Spend the necessary time with my team at practices and games. Recommended practices are at least two per week preseason and once a week in season. Games are typically two per week but could be more or less due to rainouts and possible rescheduling.
- Participate in league functions.
- Be responsible for safe guarding use of all equipment and facilities and clean up after games and practices.
- Teach players fundamentals of the game, fair play, good sportsmanship and to have respect for their opponents and umpires.
- **NOT** use profanity, alcohol, drugs or any form of tobacco.
- Strive to win, but understand that "winning is not everything."
