The Clarkston Chiefs strive to provide a fun and educational program for all of our athletes. Any feedback you can provide would be greatly appreciated so we may continue to improve our programs:

I request a refund based on the current CFA refund policy. I have returned all Clarkston Chiefs equipment that was provided to my child and agree that the cost for any damaged or non-returned equipment will be deducted from any refund amount I'm eligible to receive. Upon payment of the registration fee \$170 is NON-REFUNDABLE, \$150 for Cheer.. The balance of the registration fee is refundable until 8/09/2019 after which time the balance of the registration fee is non-refundable. The postmark date of the refund request will determine if the refund will be issued. No refunds will be issued until all equipment issued to the player has been returned to the Clarkston Chiefs.
