

Ohio Valley Volleyball Academy

The Ohio Valley Volleyball Academy is working hard to establish itself in the Junior USA Volleyball arena. Part of our club's mission is to provide young female athletes the opportunity to participate in highly competitive volleyball. Our teams are comprised of talented young women from various high schools in southwestern Pennsylvania, northern West Virginia and Ohio. This club offers opportunities to compete with players not only from neighboring schools, but also teams from across the tri-state area. It also serves to expose our experienced players to college coaches who attend club tournaments for recruiting purposes.

Obviously, this endeavor to participate in competitive volleyball is costly, but we believe the benefits far outweigh the costs. As a way to assist with a player's club dues we are providing this fundraising opportunity.
