ROUND BARN GOLF COURSE @ MILL CREEK

The Rochester Wrestling Club is excited to host our third Golf Outing. The last two years have been a huge success for our tournament and our club. We have been able to send kids to camp, add to our Jordan Shafer Scholarship, and bring in some great clinicians to teach our kids. Our goal for this year's outing is two fold:

1. Raise money for our Jordan Shafer Memorial Scholarship. Last year this tournament helped raise \$1,000 towards the scholarship. It will also help wrestlers go to camp, fund our youth organization, and purchase upgraded equipment for the wrestling and weight room.
2. Rochester Wrestling has a rich tradition of individual and team success. Our goal is to bring our Alumni back together yearly to celebrate friendships and how wrestling has brought us together.
