

Village of Jacksonville

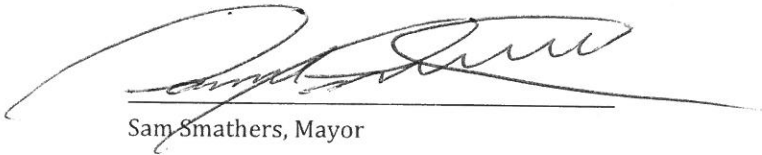

38 S 6th Street

PO Box 185

Jacksonville Ohio 45740

The Village of Jacksonville is currently working on a project to replace flags and flagpoles throughout the Village and along State Route 13. Our residents feel a great sense of hometown pride when we display flags along the State Route and Village roadways to honor the Veterans that have served our county and fought for our freedom.

The Village has struggled in recent years to fund park and recreational items due to cuts in local funding and a deficit in funding. Any help your organization can provide to assist us in replacing the flags and flagpoles is greatly appreciated. To express our gratitude, the Village will be publicly thanking all sponsors on our website and Facebook pages. Thank you in advance for helping us continue to show our hometown pride and love of our great county!

A handwritten signature in black ink, appearing to read 'Sam Smathers', with a long horizontal flourish extending to the right.

Sam Smathers, Mayor

Jacksonville Village Council
