Indiana Mafia Team / Player SPONSORSHIP

Since our inception, our travel program has grown from five girls who just wanted to play some travel ball to more than 150 girls and boys making up multiple teams in both softball and baseball. As you may know, travel ball is much more costly than the recreational leagues. We have to supply all the player's equipment, uniforms, field maintenance, etc. to make this work. While it is an endeavor we look forward to each and every season, we can't do it without the help of our sponsors.

Since the beginning we have grown both in size and in skill. We have sent teams to the National tournament, State Tournament and other high profile tournaments. The Mafia fastpitch division has been our flagship program and baseball is growing just as rapidly. It is the dedication of our coaches, managers, parents and players that make this program what it is today and what it will become in the near future. Attaining our goals is something that you and / or your company can play a part. With your donation you can rest assured that you are helping these young players reach for their dream.

For those of us involved in the lives of these young players, every day is a day to teach and to learn. Each season as new players and teams join our Mafia program, our family grows. As do the needs. Today, we are asking that you come join our Mafia family.

Thank you.

Sincerely,

Ric Everman - Indiana Mafia Fastpitch
