

The Kingsley Recreational League is an organization that administers and organizes baseball, softball, and T-ball teams for the Kingsley area children from ages 5 to 14. We are a non-profit organization consisting of many volunteers. Last year over 300 children were given the opportunity to “play ball” because of the generous donations of others.

Over the years many local businesses have sponsored teams in our league. We would like to thank you all for your past patronage and ask for your help again. We ask for a donation of \$175 for all baseball and softball leagues. This donation is used to purchase uniforms and puts your company name on the uniform. All children keep their uniforms, so they will be advertising the business year round. This price would also include putting all of the children’s names on the jerseys.

If you have a specific league or player’s team that you would like to sponsor, please let us know on this application. We will give all requests consideration and in most instances we are able to honor these requests. If there is a conflict we will let you know.

Once again, we appreciate all your past patronage and look forward to working with you in the future. Please make your check payable to: KRL Inc. and mail to:
