

Alexander Soccer Club Spring 2018 Recreational Schedule

Below is the schedule for the spring recreational soccer season. Please pay close attention to field numbers and locations for both practices and games. All practices will be held behind the school. All games will be held at the main fields. Please remember players should to be dressed to play with shin guards covered by socks for both practices and games. **No dogs or smoking/tobacco are allowed at games or practices.** We also ask that all parents volunteer to assist us with at least one concession stand shift of your choice. Please remember that we are a club that is run by volunteers and we need you help to make this all work for our young players. We appreciate your involvement as parents with your players and with the club.
