

COACH PITCH LEAGUE GENERAL INFORMATION FOR PARENTS

LEAGUE SELECTION - The Coach Pitch League is for players currently enrolled in Y5's thru 1st grade. This league is not based on skill, we intend for kids to play with others in the same grades. If you have a player that is in first grade and has already played two seasons of Coach Pitch, we would allow them to play in the Boys or Girls Instructional League, however, you would have to mail in the registration form to our PO Box so we can manually enter the registration.

SCHEDULE – The season begins in mid-May with practices only. We practice and play games Monday thru Thursday with a blended time schedule of 6:00 and 7:15. Your child will have both time spots on his/her schedule but only one per day and only two practices or games in a week (i.e. practice on Tuesday at 7:15 and practice Thursday at 6:00). Games will begin in June and continue into early July with a ten game season. We will work with managers if there is a rain out, but these are not always rescheduled.

Our opening day is Saturday June 3rd and it is only “Picture Day” for the Coach Pitch League – NO GAMES ARE PLAYED. It is the only Saturday request for this league.

Coach Pitch League does not have an All Star Game

FIELDS – Practices and games are played at different fields. You will not be able to select where you play, it is simply within the Tri Cities area. Most schedules will place your child at all of our fields in use during the season. We are currently reviewing what is available to us but they will likely be the fields listed below.

EQUIPMENT – We will provide each player with a sponsors T shirt and baseball hat. The players only need to show up with a baseball glove. Some kids will have cleats, helmets and bats, but they are not required. We will have an outdoor box at each field with bats and helmets to share. If you need a glove, contact us and we will go thru our box of donated and lost and found gloves.

ADDITIONAL INFO – Look for upcoming Clinic information. This is a fun couple hours to work out with the Spring Lake High School Baseball team. We alternate seasons with Grand Haven Baseball.
