

DIZZY DEAN BASEBALL

“FUN, CHARACTER, WINNERS”

By: Billy J. Powell
Commissioner - 97/98

Dizzy Dean Baseball is not for coaches, parents, or spectators. Dizzy Dean Baseball is for the youth that play the game. One of the greatest outlets for youth is baseball. As a professional, Dizzy Dean played baseball for the love of the game and with the enthusiasm, intensity and energy of the youth that play the game today. He played because it was fun. We must continue to make baseball a fun game without placing undue pressure and stress on our youth. Our youth come first, winning second. When you build the character in a youth, you build a winner.

There was no organized baseball in Arkansas while Dizzy Dean was growing up and he was denied the opportunity to play baseball as a young boy. It was Dizzy Dean's dream that one day every young person would have the opportunity to play baseball. We, the National Board of Directors of Dizzy Dean Baseball, Inc., are dedicated to giving our youth this opportunity and promise to provide them with the best baseball program available today. This was Dizzy Dean's dream, this is what Dizzy Dean Baseball is about.

Danny Phillips
Commissioner

COMMUNICABLE DISEASE PROCEDURES

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.

2. Routine use of gloves or other precautions to prevent skin and mucous-membrane exposure when contact with blood or other body fluids is anticipated.

3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.

4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.

5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.

6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.

7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.

8. Contaminated towels should be properly disposed of/disinfected.

9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles containing body fluids.

Additional information is available from your state high school association and from the National Federation.

CHILD ABUSE / MOLESTATION STATEMENT

1. Dizzy Dean Baseball, Inc. abhors all forms of child abuse including verbal abuse, physical abuse, emotional abuse, and sexual abuse and is committed to addressing these concerns by providing risk management guidelines that will lessen, but not totally eliminate the chance of an occurrence. Failure of leagues to implement these risk management precautions may expose such leagues and their officials, volunteers, and other representatives to significant legal liability.

2. Dizzy Dean Baseball, Inc. has no operational control over league security including the selection of volunteers associated with independent leagues which are affiliated with its program. Therefore, it is the sole responsibility of the independent league to take action to adopt and implement sound risk management precautions.

3. Dizzy Dean Baseball, Inc. strongly recommends that all leagues adopt and implement a child abuse / molestation risk management program. Guidelines for establishing such a program are available on the Dizzy Dean Baseball website or a league may develop a similar comprehensive program.

4. Elements of a sound child abuse / molestation risk management program are as follows:

a. Screen all volunteers who have repeated access to youth by requiring completion of a volunteer application and by running a criminal background check. All criminal background checks indicating a conviction involving crimes against a minor must result in disqualification of the volunteer. In addition, other charges and convictions may be an indication of an unfit volunteer and may result in disqualification.

b. Distribute materials to educate administrators, volunteers, and parents on the warning signs of child abuse / molestation and how to respond to an allegation.

c. Appoint a conduct official to administer the program and to be the primary contact for allegations of child abuse / molestation.

d. Encourage the use of a "buddy system" where a non-related adult is never alone with a single child.

e. Encourage the use of take home / pickup policies to ensure that a single child is not being transported by a volunteer as a result of a parent failing to pick up a child in a timely fashion.

f. Prohibition of any overnight sleep over event at any official's house.

g. Limiting the distribution of directories / rosters with names, phone numbers, addresses, and pictures to persons on a "need to know" basis.

DISCLAIMER

Dizzy Dean Baseball, Inc., is not responsible for non - related activities at Dizzy Dean Tournaments. Furthermore, Dizzy Dean Baseball, Inc., expressly disclaims any and all liability for injuries sustained at hotels, dormitories, restaurants, swimming pools, water parks or other fun parks, beaches, lakes or other recreational activities engaged in by coaches, players, family members or other spectators away and separate from the playing field of the Dizzy Dean Tournament.

DIZZY DEAN BASEBALL PRAYER

Oh Lord, it is with joy we begin this year of Dizzy Dean Baseball. We always want your blessings and pray for You to give us a desire to make a happy season of games. Help us to be more thankful to You by strengthening our minds, morals and bodies.

Oh God, we thank You for the many blessings You have given us. We pray that the Holy Spirit will lead in the guiding and training of young people in the enjoyable game of baseball. Help us to always remember that growing a strong moral character is very important. Oh God, we ask You to be with our young people that they may always keep their bodies in good physical shape, to always be mentally active, to always play the game fair and square to the very best of their ability. Help them to always be good sportsmen so that they may develop mentally, physically and spiritually even as did our dear Lord whose holy name we pray.

Amen.

Glen Fuller

Past National Director, GA

DIZZY DEAN BASEBALL, INC.

Dizzy Dean Baseball has been organized as a youth baseball program for all youth regardless of sex, religion, race or color, five (5) through nineteen (19) years of age. The game is played on a baseball field suitable to the physical development of growing youngsters. The main purpose of this program is to expand Dizzy Dean Baseball and to provide a recreational outlet for as many youth as possible with emphasis being on local league play rather than tournament play. However, state tournaments and Dizzy Dean World Series are for leagues wishing to participate.

The actual playing of Dizzy Dean Baseball is the same as in professional groups except that monetary fines and similar penalties are omitted and coverage which fits the amateur game is provided. Appropriate suspensions are allowed.

Leagues affiliating themselves with this program must comply with a basic set of rules and regulations as outlined in this booklet.

DIZZY DEAN BASEBALL, INC. ORGANIZATIONAL STRUCTURE

Section. 1. The team shall be the smallest unit of organization and shall be governed by those active in the program who make up the managing personnel. Each team may have a manager and three (3) coaches. The manager will be the official in charge of the team, and the responsibility for the team will be that of the manager. The coach will assist the manager. A team board of directors is optional. The above rule will apply to communities that are only able to field one team, such as where four or more communities come together to form a league. Communities that plan to field a complete league composed of at least four teams will begin their organization with Article II that follows. (Refer to Section 11:00 for Tournament Play.) Any deviation from these rules must be made by the State National Executive Board and approved by the National Commissioner of Dizzy Dean Baseball, Inc.

ARTICLE II League Structure

Section 1. Each team within the league shall play a regular schedule of games. In order to qualify for tournament play each league must play a twelve (12) game schedule. It is recommended that you play an eighteen (18) game schedule if possible.

Section 3. Small nearby towns unable to field a league within its own territorial limits may form four to eight team leagues. All team presidents and managers will be members of the league board of directors, and the officers of the league will be elected from this board of directors.

Section 4. The state director with the approval of the National State Executive Board has the option of franchising less than a four (4) team league on an annual basis. Your organization will not be considered to be franchised until your application has been received and approved. All organizations must reapply each year for consideration.

Section 5. Each league or group of leagues are to adopt a set of rules and regulations for the operation of the league or leagues which do not conflict with rules of Dizzy Dean Baseball, Inc. In communities having two or more leagues, it may be advisable to have one set of officers and adopt the same rules and regulations. This, however, is optional and will be determined by the various leagues. The operation of more than one league with the same officers must be agreed upon by the managers of the various leagues.

ARTICLE III

3:00 RE-ENTRY SUBSTITUTION

3:01 Dizzy Dean Baseball is played under re-entry substitution in all local league and tournament play. Any starting player (pitcher included) may be removed from the game by being replaced legally with a substitute, and then returned to the lineup one time; however, he must be inserted in the same position in the batting order that he possessed at the start of the game. The starting player may return to the lineup at any time, on offense or on defense. This includes all games. Once the substitute has been removed from the game he cannot return. He can make only one appearance in the game. EXCEPTION: See Common Rules 3:03, and 7:06.

3:02 A batter removed from the game because of too many appearances on the field by the manager in one inning cannot return to the field until the current half inning of play has been completed. Should this batter be a substitute player, he cannot return to the game at all, because a substitute can make only one appearance. EXCEPTION: See Common Rule 3:03.

3:03 If a manager or coach has used all of his eligible players and a player is injured, ejected, or becomes ill and cannot continue, the OPPOSING MANAGER must select one or more players on the bench who has already been in the game to replace the injured, ejected or ill player(s). If there is no one for the OPPOSING MANAGER to select, the game will be forfeited. A manager or player that is ejected must sit out the next game. That player or coach becomes an illegal participant until he has set out his required games. Do not violate any pitching rules. In the event a team does not have the minimum number of players required the game will be forfeited.

3:04 When play is halted by officials for an injury, and a player is removed from the game, he will be declared an injured player and will not be allowed to return to the game. Only an eligible player may be used as a replacement for the injured player. (See rule 3.03)

3:05 Under the re-entry substitution rule a pitcher may be replaced on the mound during any part of the game and return to the mound one (1) time. Example: A pitcher may pitch and be replaced with a substitute, and then return to the mound one time as a pitcher. See Common Rules 3:01 (Applies to same game only)

COMMON

4:00 MANAGER AND COACHES

4:01 A team may have a manager and (3) coaches as listed on your tournament team roster.

4:02 Two adults may coach the bases if they choose to do so. In all tournament play, District, State and World Series, coaches must wear a full baseball uniform that matches and coordinates with their team uniform. Coaches must wear a complete baseball uniform. (Not coaching shorts or trousers). (Numbers not required on coaches shirts.)

4:03 With the exception of the base coaches, all players, managers, etc. must remain in dugout, on benches, or prescribed areas throughout the game.

4:04 Only registered adult coaches and manager of the team are permitted on the coaching lines. The adult manager or coaches, whether or not they are on the coaching lines, may moderately dispute any decision or may discuss any point with the umpires to the extent allowed by the rules of professional baseball; however, if he at any time makes any derogatory remarks or undue criticism about or to the opposing players or umpire, he shall immediately be ejected from the current game and must sit out the entire next game.

4:05 The manager is responsible for the conduct of coaches, team and fans.

5:00 “See Appropriate Age Group Section” Regulation Games

6:00 “See Appropriate Age Group Section” Pitching Rules

6:01 Pitching changes must be reported to the home plate umpire who will announce the changes to the scorekeeper. Failure to do so will result in pitcher of record being charged with all innings pitched until notification or recognition of change has been made. Manager/Head Coach must check the pitching record for accuracy and sign immediately after the ball game. (See rule 6.02)

6:02 An inning is interpreted to mean the following: If a pitcher pitches to one (1) batter and is removed from the pitching mound before he is retired, he is only charged with pitching 1/3 of an inning. If he is removed after retiring one (1) batter, but after he has pitched to the next batter, he is charged with two-thirds (2/3) of an inning. If he is removed after he has retired 2 batters and has pitched one (1) pitch to the next batter, he is charged with one (1) complete inning.

6:03 In all tournament play, pitching rosters must be signed within (10) ten minutes of the completion of play by both managers. If not, they will be signed by the tournament director and become official and cannot be altered.

6:04 When a pitcher is turned in on a line-up card, he is the pitcher of record and must dispose of a batter before he can be replaced or substituted and he will be charged with a minimum of one third (1/3) of an inning. Any new pitcher

who toes the rubber and takes a warm-up pitch to begin an inning will be pitcher of record and will be charged a minimum of one third (1/3) of an inning and he must dispose of a batter (unless the pitcher becomes injured and he will not be charged with any innings pitched) before he can be replaced or substituted. (Refer to Common Rule 3:04.)

7:00 FORFEITURE, APPEALS & PROTEST

7:01 Should a question arise as to the interpretation of the playing rules, only the manager/head coach may appeal.

7:02 A team failing to field at least nine (9) uniformed players within fifteen minutes after the scheduled game time shall forfeit the game. A forfeit shall count in league standings. Teams dropping out of the league will have the results of their previous games discarded (League play only - See Tournament Section for tournament rules.)

7:03 A team that does not complete its schedule will not be allowed to put a player on the all-star team.

7:04 Playing illegal players or pitchers will result in forfeiture of games in which players or pitchers participate if protested by the opposing manager or coach. Should both teams use illegal players or pitchers both teams will be credited with a loss. A youth that is not an approved player on the playing roster is an illegal player. If a player belongs to another Dizzy Dean team or league and participates in a game in your league, he is illegal. A pitcher who has exceeded his allotted number of innings is illegal and the game will be forfeited if protested. If a manager or coach knowingly plays a player that is illegal after being told to stop by the local league, District Director, State Director or a National Director in that state, and continues playing that illegal player, that team and/or organization shall lose their franchise. You cannot back up into the tournament bracket past the last game played. In tournament play, only the last game played will be affected by forfeiture of the game.

7:05 An ineligible player is one who is legally a member of the team but who is ineligible to play or pitch in a particular game or games because of an infraction of the rules, or because of a previous violation or disciplinary action. It is the duty of the manager to keep a record of his players and pitchers.

7:06 The playing of an ineligible substitute will result in a protest if protested by the manager of the opposing team before the completion of the game. The penalty for the playing of an ineligible substitute will result in the replaying of the game from the point of the infraction if the protesting manager's team loses. (Refer to Common Rules 7:10 and 7:11)

7:07 A protest which involves an umpire's judgment may not be made. The only legal protest is one in which a violation of playing rules or the use of an ineligible player, or ineligible substitute, or an illegal player is protested. (Refer to Common Rules 7:10 and 7:11)

7:08 The protesting manager on a play situation must immediately notify the

COMMON

umpire that the game is being played under protest. Failure of the umpire to make this announcement shall not affect the validity of the protest. (Refer to Common Rules 7:10 and 7:11)

7:09 A protest based on a play situation shall be considered only if it is placed in writing and submitted to the league president within forty-eight (48) hours. A fee set by local league may apply. **(In tournament play no protest fee will be required).** This fee will be returned if the committee rules in favor of the protesting party. The president shall appoint a committee of three (3) impartial managers or coaches from another league, if possible, to act as the protest committee.

7:10 Protest that are made in tournament play must be made to the umpire in chief (on the field) who will in turn refer the protest to the tournament director. The tournament director and umpire in chief (on the field) will then call the other members of the protest committee. The protest committee in tournament play shall consist of three (3) members as follows: (a) umpire in chief (or alternate umpire on the field if the umpire in chief made the call in question), (b) the District Director, the State Director or the National Commissioner or one person appointed by such at their respective tournament, (c) a third member associated with Dizzy Dean Baseball, Inc. but not connected with either team, this member to be appointed by "b" above or his representative. All other provisions of protest in tournament play to remain the same.

7:11 Tournament protests may be made only on a misinterpretation of a rule and ineligibility of a player or players. A protest based on the misinterpretation of a rule must be made before the next legal pitch. All other protests including ineligibility or legality of a player or players must be made before the team or umpires leave the playing field at completion of game. Protests must be made to the umpire in chief. The protest committee after hearing the protesting manager and the manager of the opposing team shall make a decision and that decision will be final. There will be no appeal. In all cases, a National Director or National Commissioner must be notified prior to any announcement on the field.

7:12 Rained out or otherwise postponed regularly scheduled league games must be played within seven (7) days, called by the league president. Failure to comply will result in forfeiture of the game by the home team, or they may appeal to the league president who will then set a time and date for play as nearly as possible to suit the convenience of both teams.

7:13 In local play only, a team may file a protest on the grounds of ineligibility of a player or pitcher within forty-eight (48) hours after the completion of the game. NOTE: According to the interpretation of this rule, only the game or games protested will be considered and all protests of this nature must be within forty-eight (48) hours. (For Tournament play see Common rule 7:11)

7:14 Any team manager or their adult leader who withdraws a baseball team from the playing field under any circumstances prior to the official completion of the game, or forfeits a game, shall forfeit all rights to protest as described in this section. He shall also forfeit this game by a score of 6 to 0 if 12 and under and 7 to 0 if 13 and up. If a team concedes a game before its completion, the score at that time will be the recorded score and stand as is or

with a minimum score of 7 - 0 or 6 - 0 depending on age group involved. This with the consent of the tournament director. The pitcher will be charged with all innings actually pitched.

7:15 Any player playing for more than one Dizzy Dean franchised organization will be declared illegal.

7:16 No tournament game may be forfeited unless by a District, State, or National Director.

Recommendation: Each year all players selected to a team (with the exception of manager's child and one (1) assistant) must be drafted, meaning all managers in an organization shall have equal rights and opportunity to select any player in that organization. The state director will make arrangements to have team's picture taken if they arrive at the state tournament without their photograph. State tournament directors will mail a team photograph and a team roster of all teams in their tournament to the World Series tournament director on the opening day of the state tournament. As soon as a winner is certain in each state, the state director will telephone, collect, the World Series tournament director and notify him of the winner. This will not cause delay in having that team's picture in the program. This will save much time on the part of the program committee.

19:08 Teams participating in tournament play must have a proof of birth, as stated under common rule 13:00 Birth Certificates, in their possession. These records are to be inspected by a credentials committee. These records are to be presented at all tournaments at the request of the tournament director. Such policy may not provide "claims made" coverage and may not have an exclusion for lawsuits arising out of injuries to athletic participants. If a team does not purchase its General Liability insurance through the endorsed Dizzy Dean insurance plan (see rulebook ad), it is required that the team's General Liability policy be endorsed to name Dizzy Dean Baseball, Inc. as an "Additional Insured".

19:17 Official tournament brackets of Dizzy Dean Brackets must be used either double-elimination or 3 game guarantee.

19:18 All teams will draw for position in tournament play. The host team will have the choice of the game time on opening day only. Every effort to avoid 1st round play of teams from same league should be made and if it is a National Tournament, same state teams should be avoided.

19:19 All official scorebooks will be collected after each world series and sent with a picture of the championship team to the secretary or treasurer of Dizzy Dean Baseball.

19:20 The HOST team for the STATE TOURNAMENT may be allowed to participate in the district tournament.

FARM LEAGUE 5-8 YEARS OLD

All coaches and leagues must try to get rule interpretations and problems solved by their state and national officers before contacting the Commissioners Office.

The Farm League Division of Dizzy Dean Baseball, Inc. has been organized as a baseball program for youth whose 5th, 6th, 7th or 8th birthday falls before May first (1st) of the current year. Rules set forth in this book shall govern all tournament play. It is suggested that individual leagues follow these rules in local league play; however, they may be adapted to fit local league play at the option of each individual league.

Any player running the bases who deliberately removes his headgear (includes chin strap), in umpire's decision, is out. EXCEPTION: Home run over the fence or time out.

2:16 Catcher must wear face guard and helmet. Chinstrap is not required.

3:00 RE-ENTRY SUBSTITUTION

3:05 In league play if a manager has used all of his eligible players and a player is injured, becomes too sick to continue or is ejected, the game will not be forfeited. In the case of an injured or sick player, the OPPOSING MANAGER must select as a replacement one of the players on the bench who has already been in the game. In the case of an ejected player, he shall simply be scratched from the lineup and the team will play with a player short. No team shall play with less than eight (8) players in league play. No out shall be charged when that player would have batted. An injured player who has been replaced cannot return to the game.

3:07 Dizzy Dean Baseball is played under re-entry substitution in all local league and all tournament play. Any starting player may be removed from the game by being replaced legally with a substitute and then return to the lineup one (1) time; however, he must be inserted in the same position in the batting order that he possessed at the start of the game. The starting player may return to the lineup at any time, on offense or defense. This includes all games. Once the substitute has been removed from the game, he cannot return. He can make only one appearance in the game. EXCEPTION: If a manager has used all of his eligible players and a player is ejected, injured, or becomes ill and cannot continue, then the OPPOSING MANAGER must select one or more of the players on the bench who have already been in the game to replace the ill or injured player or players. This only applies to a substitute and not an ejected player. If there is no one for the opposing manager to select, then the game will be forfeited. An injured player who has been replaced cannot return to the game. No team shall play with less than eight (8) players in league play.

4:00 MANAGER AND COACHES

5:04 There will be a maximum of one offensive and one defensive time out per inning with each time out being no more than one (1) minute in length. The score-keeper will keep a log of time-outs. Player may re-enter without violating substitution rule at the completion of the inning. DO NO VIOLATE ANY SUBSTITUTION RULE.

6:00 PITCHING RULES

COACH PITCH

6:17 An offensive coach will pitch to his own batters. The coach may only coach the batter until he reaches first (1st) base or after he leaves third (3rd) base. The coach will be replaced after one warning of a violation or the remainder of that game. See Common Rule 4:03 or 4:04.

6:18 The pitcher may pitch anywhere from in front of the 20 foot foul arc to the pitching circle. He may not cross the foul line or enter the pitching circle. He must keep one foot on or astraddle the pitching-line. The coach may pitch over-handed or underhand to the 6 & 7 year olds. He must pitch overhand to the 8 year olds. PENALTY: For not standing on or astraddle the pitching-line the defensive team gets the choice of the play or re-bat.

6:19 Any batted ball that hits the pitching coach will be a dead ball and a no pitch. If the pitching coach intentionally (in the umpires judgment) allows the ball to hit him, the batter will be out and a dead ball called. No runner may advance.

6:20 The offensive coach (pitcher) must attempt to leave the field and try to pick up the batter's bat. The offensive coach (pitcher) that does not attempt to get off the field and interferes with the defensive player to keep him from making a play will cause the batter to be out. No runners advance.

7:00 FORFEITURES, APPEALS AND PROTESTS

7:17 The umpire may call time-out for injury or protest. These time-outs will not be charged to a team.

The manager must identify the correct player by name or number and also the correct base involved in the play, no second chance if he names the wrong player or base. If he is correct, the base runner is out. Appeal must be made before the next pitch is thrown.

9:00 SPECIAL RULES

9:06 In league play all ground rules must be given on paper to the visiting manager and coach. Only those rules will be honored. You cannot make up ground rules as

FARM LEAGUE

the game progresses. These ground rules must be filed with the league president before the schedule begins.

9:07 In tournament play all ground rules will be covered between coaches and umpires before each game.

9:12 If a player is injured by being hit with a batted ball in the face, throat or head, time will be called immediately and all players will be awarded one (1) base if injury to an infielder, two (2) bases if player injured was an outfielder. The awards are from the time of the pitch. Any other injury deemed serious enough in judgment of the umpire will be handled in the same manner. NOTE: THIS IS A JUDGMENT CALL AND CANNOT BE APPEALED OR PROTESTED.

9:14 6,7, and 8 year old World Series may be pool play, double elimination or a 3 game guarantee. A time limit is acceptable in pool play only. This must be approved by World Series Committee or National Commissioner.

10:00 TEAMS

10:04 All ages 5 thru 8 will be allowed eighteen (18) players whose names shall be registered with the league president by April 15th on league roster forms.

10:05 Managers may not sign new players after April 15th for ages 5 thru 8. A violation of this rule will make the player ineligible for tournament selections and reason for protest in local or tournament play.

11:00 ALL-STAR TOURNAMENT TEAMS

11:21 In all World Series and tournament play, in order for a game to become a complete game, it must be a full six (6) inning contest, regardless of the delay; and no other tournament game can be started until the completion of the interrupted game. All games shall be six (6) innings duration unless the losing manager wishes to concede without penalty. EXCEPTION: A game will be called when the opposing team has been numerically eliminated. This rule to apply in all local league play and all tournament play.

11:22 Teams may play more than two (2) games in one (1) day with the approval of the Dizzy Dean National State Executive Board.

11:24 District, State and World Series tournaments will be held each year. Each tournament will have three (3) separate age groups, (6U, 7U, and 8U).

11:25 Players may participate up in an older age group but will not be allowed to participate in a lower group. EXAMPLE: If a 7 year old plays in an 8-year-old league he may not drop down and play as a 7-year all-star. This does not count for a mixed league of 7 and 8 year olds combined.

11:26 A player must be a member of a franchised Dizzy Dean program and participate in half (1/2) of his teams scheduled games to be eligible for the all-star team.

11:27 All-star teams may have eighteen (18) players, (1) manager and three (3) coaches on the team. A team must field ten (10) players in tournament play at all times. PENALTY: FORFEIT.

20:17 In tournament play an offensive batter will receive five (5) pitches before being declared out. He will be called out on three (3) swinging strikes. If fifth (5th) pitch is fouled, he may continue to bat. If fifth (5th) pitch is fouled and caught it is an out. If the fifth (5th) pitch or 3rd strike is a bunted foul the batter is out.

20:18 Any base runner leaving the base before the ball reaches home plate is out (umpire's decision). The ball is dead and all other runners return to base occupied prior to pitch. The pitch will not count.

20:19 If a runner misses a base, it will be an appeal play to the umpire. (See appeals and protests.)

20:21 It is not an out in Farm League play age 5 & 6 for batter stepping on home plate. Delay dead ball and defense gets choice of play or re-bat.

20:22 There will be a maximum of seven (7) runs per inning per team.

21:00 DEFENSE

21:10 No rolling the ball intentionally will be allowed. No outs will be allowed by rolling the ball. Runners will automatically be safe if the defensive team rolls the ball. (Umpire's decision)

21:11 The infield fly rule will not be in effect.

21:12 Any base runner leaving the base before the ball reaches home plate is out (umpire's decision). The ball is dead and all other runners return to base occupied prior to pitch. The pitch will not count. If a runner misses a base, it will be an appeal play to the umpire. (See appeals and protests.)

21:13 Only ten (10) players on the field (four (4) outfielders).

21:14 The defensive player listed as pitcher will stay in the ten (10) foot circle until ball is hit. The player may have one foot outside of the circle. PENALTY: Offense gets choice of play or re-bat.

21:15 Play shall not be stopped by the defensive team heading off or stopping the front-runner. Any other runner may continue at his own risk. Any play made on a runner other than the front-runner will release the front-runner. Other runners may continue.

4:08 Any manager or coach going on to the playing field to talk to the same batter (or batter going to the dugout or bench to talk to a manager or coach) more than one (1) time per batter or three (3) times per inning will be required to remove the current batter from the game and make the substitution in the lineup. He may re-enter at completion of the inning if he can do so without violating the substitution rule. NOTE: The only exception to rule 4:06 and 4:07 is in case of injury, or if the time is called by the opposing team or the umpire.

5:00 REGULATION GAMES

5:04 In league play, it is a regulation game if it is called by the umpire due to darkness, rain or other cause which in the umpire's judgment interfered with further play, provided that (a) four (4) or more innings have been played, or (b) three and one half (3 1/2) innings shall constitute a legal game if the home team is ahead at the end of the half (1/2) inning, or before the end of the fourth (4th) inning if the home team is ahead (in the event of a partial inning beyond 4 innings revert back to the last complete inning). In the event that a game is halted before completion for any cause it must be resumed from the point of termination when the game is rescheduled by league officials with the same lineup as possible. EXCEPTION: If a team is leading its opponent by at least fifteen (15) runs at the end of the third (3rd) inning or ten (10) runs at the end of the fourth (4th) inning the game shall be terminated and the team in front declared the winner. This rule to apply in all local league play. WARNING: DO NOT VIOLATE ANY PITCHING RULES.

5:05 Games shall be six (6) innings in duration. In case of a tie at the end of the 6th inning of play the game shall go into extra innings until a winner is established or the game is called by the umpire.

6:00 PITCHING RULES-MINORS

6:10 A pitcher can pitch in consecutive games in the same day if he does not violate any of the following rules.

6:11 Any pitcher playing in the same game may return to the mound one time. If a game is delayed for any reason, he may be allowed to continue. WARNING: DO NOT VIOLATE ANY PITCHING RULE OR RE-ENTRY RULE.

6:12 An inning is interpreted to mean the following. If a pitcher pitches to one (1) batter and is removed from the pitching mound before he is retired, he is only charged with one-third (1/3) of an inning. If he is removed after retiring one (1) batter but after he has pitched to the next batter he is charged with two-thirds (2/3) of an inning. If he is removed after he has retired two (2) batters and has pitched one (1) pitch to the next batter, he is charged with one (1) complete inning.

6:13 If a pitcher pitches beyond his allotted innings per game, per day, per week or per tournament because of a double or triple play, there is no penalty. (He was legal when the pitch was made). The pitcher will be removed after the outs are made.

6:14 When a pitcher is turned in on a line-up card he is the pitcher of record and must dispose of a batter before he can be replaced or substituted for and he will be charged with a minimum of 1/3 of an inning. Any player who toes the rubber and takes a warm-up pitch to begin an inning will be the pitcher of record for that inning and be charged with a minimum of 1/3 of an inning, and he must dispose of a batter before he can be replaced or substituted for. (unless the pitcher is injured).

If the game has been delayed until the next day and he has pitched more than three (3) innings, he will be required to rest forty-eight (48) hours before returning to the mound beginning at the time he left the mound. Under the re-entry substitute rule a pitcher may be replaced on the mound during any part of the game and return to the mound one (1) time. EXAMPLE: A pitcher may pitch and be replaced with a substitute and then return to the mound one time as a pitcher. See Common Rule 3:01 and 6:02. Applies to same game only. (Once a pitcher has pitched one pitch over three (3) innings and leaves the mound he may not return as a pitcher until he has had forty (48) hours rest.) (All pitching applies to that game regardless of the delay.)

The manager must identify the correct player by name or number and also the correct base involved in the play, no second chance if he names the wrong player or base. If he is correct, the base runner is out. Appeal must be made before the next pitch is thrown.

9:19 Three (3) strikes is an out even if the ball is dropped.

The pitch will not count. If a runner misses a base it will be an appeal play to the umpire. (See appeals and protests.)

9:21 Once the pitcher has possession of the ball and is in contact with the pitching rubber, any base runner who does not immediately advance to the next base or return to the previously occupied base is out (umpires decision). The ball is dead and no other runners may advance until the next pitched ball has crossed home plate. EXCEPTION: The runner is not out if a play is made on the runner (i.e., making a move toward the runner or faking a throw).

NOTE: The only exception to rule 4:06 and 4:07 is in case of injury or if the time is called by the opposing team or the umpire.

5:00 REGULATION GAMES

5:01 In league play, it is a regulation game if it is called by the umpire due to darkness, rain or other cause which in the umpire's judgment interfered with further play, provided that (a) four (4) or more innings have been played, or (b) four and one half (4 1/2) innings shall constitute a legal game if the home team is ahead at the end of the half (1/2) inning, or before the end of the fourth (4th) inning if the home team is ahead. In the event of a partial inning beyond 4 innings revert back to the last complete inning. In the event that a game is halted before completion for any cause it must be resumed from the point of termination when the game is rescheduled by league officials with the same lineup as possible. EXCEPTION: If a team is leading its opponent by at least fifteen (15) runs at the end of the fourth (4th) inning or ten (10) runs at the end of the fifth (5th) inning the game shall be terminated and the team in front declared the winner. This rule to apply in all local league play. WARNING: DO NOT VIOLATE ANY PITCHING RULES.

5:02 Games shall be seven (7) innings of duration. In the case of a tie at the end of seven (7) innings of play the game shall go into extra innings until a winner is established, or the game is called by the umpire.

6:00 PITCHING RULES

6:10 A pitcher can pitch in consecutive games in the same day if he does not violate any of the following rules.

6:11 Any pitcher playing in the same ball game may return to the mound one time. If a game is delayed for any reason, he may be allowed to continue. WARNING: DO NOT VIOLATE ANY PITCHING RULE OR RE-ENTRY RULE.

6:12 An inning is interpreted to mean the following: If a pitcher pitches to one (1) batter and is removed from the pitching mound before he is retired, he is only charged with pitching one-third (1/3) of an inning. If he is removed after retiring one (1) batter but after he has pitched to the next batter, he is charged with two-thirds (2/3) of an inning. If he is removed after he has retired two (2) batters and has pitched one (1) pitch to the next batter, he is charged with one (1) complete inning.

6:13 If a pitcher pitches beyond his allotted innings per game, per day, per week or per tournament because of a double or triple play there is no penalty. (He was legal when the pitch was made). The pitcher will be removed after the outs are made.

6:14 When a pitcher is turned in on a line-up card he is the pitcher of record and must dispose of a batter before he can be replaced or substituted for and he will be charged with a minimum of 1/3 of an inning. Any player who toes the rubber and takes a warm-up pitch to begin an inning will be the pitcher of record

SOPHOMORE LEAGUE

for that inning and be charged with a minimum of 1/3 of an inning and he must dispose of a batter before he can be replaced or substituted for. (Unless the pitcher is injured).

6:26 A pitcher is allowed twelve (12) innings each week.

6:27 A pitcher may pitch sixteen (16) innings in a tournament.

6:28 If any pitcher pitches four (4) full innings and then throws to another batter in the same game or day, he will not be eligible to pitch until he has had 36 hours rest, beginning with the time he leaves the pitching mound as a pitcher.

6:29 If a pitcher pitches no more than four (4) full innings in any day, he may be used on as many consecutive days as desired provided he does not exceed the 12 inning rule. (16 in tournament play).

6:30 A pitcher is limited to ten (10) innings in a game or day. No pitcher may pitch over ten (10) innings in a day. (DO NOT VIOLATE ANY PITCHING RULES.) If a pitcher pitches one (1) pitch over four (4) innings, he will be required to rest for thirty-six (36) hours. If there is a second game in the same day, he will be ineligible to pitch if he has pitched over four (4) innings in his first game. If the game has been delayed till the next day and he has pitched more than four (4) innings, he will be required to rest thirty-six (36) hours before returning to the mound beginning at the time he left the mound. Under the re-entry substitute rule a pitcher may be replaced on the mound during any part of the game and return to the mound one (1) time. The pitcher may return to the mound after the side has been retired if eligible. EXAMPLE: A pitcher may pitch and be replaced with a substitute and then return to the mound one time as a pitcher. See Common Rule 3:01 and 6:02. Applies to same game only. (Once a pitcher has pitched one pitch over four (4) innings and leaves the mound he may not return as a pitcher until he has had thirty-six (36) hours rest.) (All pitching applies to that game regardless of the delay.)

9:00 SPECIAL RULES

9:15 A designated hitter will be allowed for any player in the Sophomore League.

9:16 A hitter may be (not mandatory) designated for any one starting player (not just pitchers) and all subsequent substitutes for that player in the game. A starting defensive player cannot be listed as the designated hitter in the starting lineup. A designated hitter for said player shall be selected prior to the start of the game and his name shall be included on the lineup cards presented to the umpire-in-chief and to the official scorer. Failure to declare a designated hitter prior to the game precludes the use of a designated hitter in that game. If a pinch hitter or pinch runner for the designated hitter is used, that player becomes the new designated hitter. The player who was the designated hitter may re-enter as the designated hitter under the re-entry rule. A designated hitter and the player for whom he is batting are locked into the batting order. No multiple substitutions may be made that will alter the batting rotation. The role of the designated hitter is terminated for the remainder of the game when:

a.) the defensive player, or any previous defensive player for whom the designated hitter batted, subsequently bats, pinch-hits, or pinch-runs for the designated

hitter; or

b.) the designated hitter or any previous designated hitter assumes a defensive position.

10:00 TEAMS

10:06 All teams 13 thru 14 will be allowed eighteen (18) players, whose names shall be registered with the league president by June 15th.

10:07 Managers may not sign new players after June 15th for ages 13 and 14. A violation of this rule will make the player ineligible for tournament selection and a reason for protest in local or tournament play.

10:08 All players must be registered with the league president by June 15th. A violation of this rule will make the player/players ineligible for tournament team/all-star team selection and reason for protest in local league and tournament play.

10:09 A manager may franchise a complete roster independent of a player selection system. NOTE: This team cannot add any players after their team Certificate of Entry is submitted and must play at least a twelve (12) game schedule interlocking with other sanctioned Dizzy Dean Baseball teams selected the same way.

10:10 Teams formed independent of a player selection system cannot add any player(s) for the purpose of tournament play. (These teams cannot add any player to their June 15th roster).

19:00 TOURNAMENTS

19:20 In all World Series and tournament play, in order for a game to become a complete game, it must be a full seven (7) inning contest regardless of the delay; and no other tournament game can be started until the completion of the interrupted game. All games shall be seven (7) innings duration unless the losing manager wishes to concede without penalty. Exception: If a team is leading its opponent by at least (15) runs at the end of the fourth (4th) inning or ten (10) runs at the end of the fifth (5th) inning or any inning thereafter, the game shall be terminated and the team in front declared the winner in all tournament play.
