

## **BCYA**

### **REFUND POLICY**

**16 November, 2014**

You may request a refund if your child is injured or decides he/she doesn't want to play. ALL refund requests will include a \$5 processing fee which will be deducted prior to uniforms having been ordered for the team. If however, the request is made after uniforms have been ordered then NO refund will be given. If the request is necessary due to an injury, after the child has already participated in one or more games, the board will review the request and let you know decide if a partial or full refund will be granted. Refunds will arrive in the form of a check to your home address. Refunds can take several weeks to process.
