

**High School age group.**

**Middle-School age group**

Beginning with the 2012-13 season, we expanded the offering of team sign-ups to our Middle-School (13-14) age players. We have used the same concept with great success in our High School age group since 2011. In 2012-13 we had 14 teams in the High School Division.

In these age groups you form your own team and register for a team entry fee of **\$600**.

These leagues will play up to a 10 game schedule similar to what you may have experienced with ELS in the past. If you are a middle school or high school student you are eligible to play.

The differences to expect in the “form your own team” setting:

- no practice times provided through the league
- no team jersey provided
- *no draft or tryout*
- no playing time restrictions
- just show up and play ball
- Up to 10 player roster size
- KHSAA rules of basketball apply

You need only to supply your roster of players and all players must fill out an ELS waiver form.

Depending on demand, we may also form a “JV Division” for teams of younger High School players that do not feel the open (Varsity) division is suited for them.

We do not take individual sign-ups. If we hear of teams needing players then we will do our best to be a conduit for passing along information. The ELS Facebook page is a good place to post requests of this nature.

Call Shawn Johnson if you have any questions. 502-439-7673.
