

**No Smoking
POLICY
for
West Jefferson Youth Athletic
Association, Inc.**

For Kids, About Kids

Adopted January 2014

1. No Smoking Policy

Parents, Participants, Coaches, Officials, Spectators or any other volunteer or visitor while attending or participating at a WJYAA event or sport function shall be designated no smoking. To protect and enhance our air quality and to eliminate unwanted 2nd hand smoke and to contribute to the health and well-being of all shall be entirely smoke free.

Smoking is prohibited in all of the enclosed areas within the organization. Smoking is also prohibited in dugouts, sidelines, fields, spectator stands, in all areas within X number of feet of the fields (and concession stands) or people.

Wherever kids can be exposed to healthier conditions and more-positive role modeling (while not being exposed to negatives), this is a more beneficial situation than the contrary. In addition, none of the kids smoke while playing their sport, it is safe to say that a smoke-free policy would benefit the majority.

Property or buildings we utilize maybe public or private property not owned by WJYAA and generally may authorize patrons to smoke under the State of Ohio or Village Ordinances. Let it be known that during any event or sport function WJYAA endorses, WJYAA sets their own rules while operating on these grounds as per the Laws of the State of Ohio and the United States Federal Code for Non Profit Youth Sporting League/Organization or other lease or authorization or agreements.

Failure to comply with all of the components of this policy will result in disciplinary action. If anyone violates these rules a board member or his or her designee may make the person aware of this rule and correct the violation by moving or putting it out.

Normal disciplinary suspension guidelines should be served on the individual as per Article IX MISCELLANEOUS #5.
